

VIVRI®

THE CHALLENGE
OF YOUR LIFE

THE VIVRI® CHALLENGE

- The VIVRI Challenge is a fun and easy way to reach the best version of yourself.
- Rooted at the core of the VIVRI Essential Nutrition System, the Challenge is a true transformational experience proven through thousands of real testimonials. Rather than taking on the Challenge as an individual, we invite you to experience it as part of a group with friends and family, enabling you to create a community focused on achieving a healthy lifestyle.
- During the Challenge:
 - You will give your body essential nutrition every day in an easy, healthy and delicious way with the VIVRI Essential Nutrition System.
 - You will learn how to best nourish your body using your VIVRI Journal.
 - You will belong to a Challenge group and will grow through mutual support, shared learning and team spirit.
 - You will have the support of LIVs (Leaders in VIVRI) that will be directly connected with you and will help create a positive, proactive and very special atmosphere with their knowledge, experience, and passion for helping others.
- We know that you will soon inspire others to live the VIVRI Challenge and achieve the best version of themselves in a fun and practical way.

- Shake Me! , Power Me! and Cleanse Me! share the following characteristics that make them truly unique:
- Registered with the U.S. Patent and Trademark Office, VIVRI is the only company in the world that can market them.
- Based on scientific methods and ingredients that have scientific support and/or clinical studies.
- Made with premium quality ingredients.
- Formulated in the United States by the VIVRI Medical-Scientific Board.
- Manufactured in the United States in full compliance with all FDA (Food & Drug Administration) guidelines in one of the most modern plants in the world and with NSF for Good Manufacturing Practices (cGMP) certification (maximum quality certification in food production and supplements).
- For more information about our products, lifestyle and Activation Plans, visit our website: www.VIVRI.com

ESSENTIAL NUTRITION SYSTEM

EASY, HEALTHY AND DELICIOUS

- Effectively supports your health goals.
- Based on a clinically proven method in the US.
- No pills.
- No artificial sweeteners.
- No stress.

The VIVRI® Essential Nutrition System ENS offers you everything that you need.

The ENS was created by the VIVRI Medical-Scientific Board using highly advanced scientific and nutritional knowledge. The ENS brilliant formulation merges a symphony of healthy nutrients in three delicious products that are prepared in seconds when mixed simply with natural water: Shake Me!, Power Me! and Cleanse Me!

At the center of the ENS is Shake Me!, a complete Meal Replacement that, when prepared, becomes a gourmet Shake that gives your body 100% of the daily required nutrients of a meal, based on the highest international standards.* In order to function well, your body needs to receive “essential” nutrients that it cannot produce on its own (so you must consume them).

Proteins, carbohydrates and healthy fats are classified as macro-nutrients and are measured in grams; they constitute 99% of your daily required nutrients. The remaining 1% is made up of vitamins and minerals (including antioxidants), which are classified as micro-nutrients that are measured in micro-grams.*

The secret is to give your body 100% of what it needs!

* In accordance with the parameters set by the FDA for a diet of 2,000 calories a day.

*The image of the cell phone is for illustrative purposes only. It is not included.

HOW SHOULD I TAKE THE VIVRI CHALLENGE?

IT'S A FLEXIBLE PLAN. YOU DECIDE!

Description of the Essential Nutrition System (ENS)

With you in mind, VIVRI has created the most practical nutrition system in the world. The VIVRI Essential Nutrition System (ENS) provides your body with the wide variety of nutrients it needs to function well.

BREAKFAST
First *Shake Me!*[®]
+ optional fruit

MID-MORNING
(or before your workout)
Power Me![®]
+ healthy snack

LUNCH
Balanced meal
of 500-700 Calories*

MID-AFTERNOON
(or any time of the day)
Cleanse Me![®]

DINNER
Second *Shake Me!*[®]
+ optional salad
(interchangeable with lunch meal)

Drink 8 glasses of water during the day

*Your 500-700 calorie meal needs to be balanced and nutritious (discover delicious recipes at vivri.com)

My VIVRI Plate

Prepare your meals using the VIVRI[®] Plate. For better results, follow these guidelines:

HEALTHY OILS

Minimize or eliminate oils. When cooking or on salads, we suggest you only use healthy oils such as olive, coconut, canola or sunflower. Each tablespoon of oil contains approximately 120 calories. Avoid butter and trans fats.

VEGETABLES

Main component of your healthy eating. The greater the quantity and variety of vegetables you eat, the better. Potatoes and French fries do not count as vegetables.

FRUITS

Take your daily serving of fruit and avoid those high in sugar. Variety matters.

WATER

Drink 8 glasses of water a day. Coffee, tea or mineral water are allowed without added sugar. Avoid sugary drinks.

WHOLE GRAIN

Consume whole grains such as brown rice, whole-wheat bread and wheat pasta. Avoid refined grains such as white rice and white bread.

HEALTHY PROTEIN

Choose legumes, fish and poultry; limit nuts and red meat; avoid bacon, cold nuts and other processed meats.

*The nutritional suggestions described above can be varied and according to the needs of each individual. The standard reference was taken from the guidelines of the Harvard University School of Public Health.

SHAKE ME![®] vs. Traditional Foods

Every time you have a Shake Me! remember that your body receives 100% of the required daily nutrients for a given meal.*

vs.

Traditional breakfast 1: Scrambled eggs with french toast and bacon

| | | | | | | | |
|-----|-------------------|-------|----------------|----------------|-------------------------|--------------------------|------------------------|
| 230 | Calories (kcal) | 380.2 | 110 | 528 | 44 | 675 | 92.5 |
| 20 | Carbohydrates (g) | 65.8 | 2 | 0 | 0 | 100 | 7 |
| 22 | Proteins (g) | 16.8 | 8 | 8.4 | 0 | 10 | 4.9 |
| 6 | Fiber (g) | 11.1 | 0 | 0 | 0 | 12.95 | 0 |
| 7 | Fats (g) | 6.4 | 7.5 | 55.2 | 5 | 25 | 5 |
| | | | Egg 1 piece | Bacon 100 g | Vegetable Oil 5 g | French Toast 250 g | Whole Milk 150 g |

vs.

Traditional breakfast 2: Pancakes with hashbrown and bacon

| | | | | | | | |
|-----|-------------------|-------|----------------------|---------------|-------------------------|-------------------|------------------------|
| 230 | Calories (kcal) | 579.2 | 540 | 264 | 44 | 641 | 92.5 |
| 20 | Carbohydrates (g) | 103.3 | 80 | 0 | 0 | 87.8 | 7 |
| 22 | Proteins (g) | 22.2 | 8 | 4.2 | 0 | 7.6 | 4.9 |
| 6 | Fiber (g) | 6.95 | 5.18 | 0 | 0 | 7.6 | 0 |
| 7 | Fats (g) | 8.5 | 20 | 27.6 | 5 | 31.41 | 5 |
| | | | Pancakes 2 pieces | Bacon 50 g | Vegetable Oil 5 g | Potatoes 250 g | Whole Milk 150 g |

In addition, Shake Me! meets the requirements as a meal replacement, contains 23 essential vitamins and minerals, and also gives your body prebiotics and antioxidants!

SHAKE ME!®

Your Essential Nutrition*

Shake Me! delivers the best nutrition the world has to offer in a delicious and exciting way!* In just seconds and only 230 calories, your body gets all the nutrients of a complete meal, in accordance with the highest international nutrition standards of countries such as Germany, France, England, Switzerland, Spain, Canada, the United States, and over 20 additional countries belonging to the European Union.

Shake Me! is completely different from nutritional supplement because it offers a symphony of nutrients from the best sources, in specific ideal proportions, according to the most advanced scientific consensus in the world; including optimal total calorie counts for your body. All of this comes directly from protein, carbs and healthy fats.

Additionally, its ingredients come from premium sources.

For example, it contains a combination of three imported premium proteins and a natural blend of vegetable extracts which are rich in antioxidants, phenolic and phytochemicals compounds; it combines nutrients and antioxidants from spinach, kale, Brussels sprouts, broccoli sprouts, broccoli, carrot, onion and tomato.

PROMOTES*

- 1 Weight Management.
- 2 Appetite control.
- 3 Satiety and Portion Control.
- 4 Muscle Mass Maintenance.

*The certifications may vary per product.
* These statements have not been evaluated by the FDA. VIVRI products are not intended to diagnose, treat, cure or prevent any disease.

DIRECTIONS: Add 3 level scoops (56g) to 8 fl oz (240ml) of cold water and mix in a Shaker or blender with ice. Take once or twice a day.

INGREDIENTS: Milk Protein Isolate, Pea Protein Isolate, Crystalline Fructose, Safflower Creamer (Safflower Oil with Tocopherols, Nonfat Dry Milk, Disodium Phosphate, Silicon Dioxide and Natural Flavor), Cocoa, Natural and Artificial Chocolate Flavors, Gum Arabic, Milk Cream Powder, Oat Flour, Modified Wheat Starch, Soy Lecithin, VIVRI Vitamin and Mineral Mix (Tricalcium Phosphate, Magnesium Oxide, Ascorbic Acid, Zinc Amino Acid Chelate, Selenium Amino Acid Chelate, Ferrous Fumarate, Niacinamide, Iodine Amino Acid Chelate, Manganese Amino Acid Chelate, Vitamin A Palmitate, Beta-Carotene, Copper Amino Acid Chelate, Cholecalciferol, D-Calcium Pantothenate, Chromium Picolinate, D-Biotin, Cyanocobalamin, Folic Acid, Pyridoxine HCl, Thiamine HCl, Riboflavin), Sodium Carboxymethylcellulose, Erythritol and Oligosaccharides Blend, Potassium Chloride, Whey Protein Concentrate, Sodium Chloride, VIVRI Vegetable Mix (Broccoli Sprout, Onion Extract, Tomato, Broccoli, Carrot, Spinach, Kale, Brussel Sprout), Stevia (rebaudioside A), Aloe Vera 200X Extract (decolorized inner leaf) (*Aloe barbadensis*). **CONTAINS: Milk, Soy, Wheat.**

INSTRUCCIONES: Mezcla 3 medidas completas (56g) en 8 fl oz (240ml) de agua fría en un Shaker o licuadora con hielo. Tómallo una o dos veces al día.

INGREDIENTES: Proteína Aislada de Leche, Proteína Aislada de Chicharo, Fructosa Cristalina, Crema de Cártamo (Aceite Vegetal de Sodio, Dióxido de Silicio y Saborizante Natural), Fosfato de Sodio, Dióxido de Silicio y Saborizante Natural), Cocoa, Saborizantes Naturales y Artificiales de Chocolate, Goma Arábiga, Crema de Leche en Polvo, Harina de Avena, Almidón Modificado de Trigo, Lecitina de Soya, Mezcla de Vitaminas y Minerales VIVRI (Fosfato Tricalcico, Oxido de Magnesio, Acido Ascórbico, Zinc Aminoquelado, Selenio Aminoquelado, Fumarato Ferroso, Niacinamida, Yodo Aminoquelado, Manganeso Aminoquelado, Palmitato de Vitamina A, Beta-Caroteno, Cobre Aminoquelado, Colecalciferol, D-Pantotenato de Calcio, Picolinato de Cromo, D-Biotina, Cianocobalamina, Acido Fólico, Clorhidrato de Piridoxina, Clorhidrato de Tiamina, Riboflavina), Carboximetilcelulosa de Sodio, Mezcla de Eritritol y Oligosacáridos, Cloruro de Potasio, Proteína Concentrada de Suero de Leche, Cloruro de Sodio, Mezcla de Vegetales VIVRI (Germinado de Brócoli, Cebolla, Tomate, Brócoli, Zanahoria, Espinaca, Col Rizada, Coles de Bruselas), Estevia (rebaudiosido A), Extracto de Aloe Vera 200X (interior de la hoja decolorada) (*Aloe barbadensis*). **CONTIENE: Leche, Soya, Trigo.**

CAUTION: KEEP OUT OF REACH OF CHILDREN. It is advisable to consult your healthcare practitioner before using this product, or beginning any weight management program, especially if you are pregnant or nursing, on medication or have a medical condition. For best results, a healthy weight management program should also include modest caloric intake, a healthy diet, and regular physical activity. Do not consume if you are allergic to any of the ingredients. Store in a cool, dry place at no more than 77 °F (25 °C). Do not consume the product if container is damaged. Not intended to replace all your meals.

ADVERTENCIA: MANTENER FUERA DEL ALCANCE DE LOS NIÑOS. Antes de usar este producto o de comenzar cualquier programa de control de peso, se aconseja que consultes con tu médico, especialmente si estás embarazada o en periodo de lactancia, tomando medicamento o si padeces de alguna condición médica. Para mejores resultados, un programa saludable de control de peso también tiene que incluir una ingesta módica de calorías, una dieta saludable y actividad física regular. No consumir si se es alérgico a cualquiera de los ingredientes. Mantener en un lugar fresco y seco a no más de 77 °F (25 °C). No consumir el producto si el envase está dañado. No recomendado para sustituir todas las comidas.

• Shown in Chocolate Delight flavor.

COMPARATIVE

How does Shake Me! compare to other products?

PROTEIN PER SERVING

With 22 grams of the VIVRI Proprietary Protein Blend, Shake Me! gives you all the protein that is provided by a complete meal.*

VIVRI's Proprietary Triple Protein Blend provides a combination of protein from premium international quality sources: 50% non-GMO pea protein and a 50% mix from no-added hormones milk isolate protein and no-added hormones premium whey protein.

* Based on the recommendations of Dr. Esselstyn; Chapter 9 of his book Prevent and Reverse Heart Disease, assuming the midpoint of his recommendation of "50 to 70 grams each day". VIVRI reserves the right to change ingredient suppliers, including but not limited to country of origin, as approved by the VIVRI Medical-Scientific Board and as part of the constant drive to select each year from the crops that best meet its strict quality and nutrition specifications.

ESTIMATED SUGAR SURPLUS PER SERVING**

SHAKE ME! gives you all the nutrients you require without giving you excess sugar. This is very important because when the body gets too much sugar, insulin production increases and insulin blocks the use of fat as fuel within your body. In addition, **SHAKE ME! is sweetened with its unique combination of stevia and other natural low-glycemic sweeteners.**

** Based on the USDA guidelines for sugar, which recommend a maximum of 32 g of added sugar daily for a 2,000 calorie diet (assuming that a person eats an average of three meals a day with 9 g of added sugar on each meal plus one snack with 5 g of added sugar to reach the 32 g limit).

SHAKE ME! CONTAINS VITAMINS, MINERALS, PREBIOTICS & ANTIOXIDANTS

*These nutrients are found naturally in the ingredients

POWER ME!®

Your Antioxidant Strength*

Stimulate your mind and body in a healthy way to perform better.* Power Me! contains a Proprietary Energy Blend based on guarana, yerba mate and green tea. Its formula contains 100 mg of caffeine, similar to that in a cup of coffee; however, due to its energy contribution formula and substantial delivery of B1, B2, B6, B12, Biotin, Niacin and minerals, you will feel a unique energy.

Furthermore, Power Me! gives you the advantage of being low in calories and sugar, so you avoid the sudden "crash" that other energy drinks can cause. It is high in antioxidants and it gives you the same amount of the highly acclaimed EGCG antioxidant as a regular cup of green tea.*

Enjoy Power Me! in its tasty flavors of Orange-Mango, Caffe Latte and Fruit Punch, one or two times per day.

PROMOTES*

- 1 Fat Burning.
- 2 Natural Energy.
- 3 Protection Against Oxidative Stress.

*The certifications may vary per product.
* These statements have not been evaluated by the FDA. VIVRI products are not intended to diagnose, treat, cure or prevent any disease.
** Only in Power Me! Orange-Mango and Power Me! Fruit Punch flavors.
This information is valid only for the U.S. and Puerto Rico.*

CLEANSE ME!®

Your Natural Balance*

Detoxify your body and find your inner balance.*

Cleanse Me! is a brilliant product which you can take as a “shot” or as “naturally flavored water.”

Cleanse Me! contains prebiotics that stimulate the growth and activity of the favorable bacteria for your body, strengthening your intestinal flora, and Aloe Vera that facilitates and restores digestion, providing multiple benefits to the body.

In addition to the traditional benefits of Aloe and Prickly Pear (nopal), the 3 g of dietary fiber in Cleanse Me! helps your organism eliminate what it no longer needs.

Available in 10 and 30 portions.

PROMOTES*

- 1 Intestinal Flora and Digestive Balance.
- 2 Maintenance of a Healthy Metabolism.
- 3 Nourishes Good Bacteria

VINTARI®

Certifications

Introducing VINTARI, a new generation of Essential Oils formulated to a higher standard. Better for you, better for our planet. Backed by VINTARI's Protocol for Certified Triple Grade: Purity, Potency and Properties.

VINTARI was created in 2020 by a passionate team of North American women and men, led by minds and hearts from Stanford and Harvard.

It's time to care. Because family matters most.

VINTARI®. The World at Your Fingertips®

INDIVIDUAL OILS

EUCALYPTUS

Aromatic / External

The Eucalyptus leaf has a fresh aroma that benefits the respiratory system and muscles.

LAVENDER

Aromatic / External

Lavender flower is known for helping to reduce stress and creating a calming effect on our emotions. It is a highly versatile plant.

ROSEMARY

Internal

Rosemary is famous for its multiple culinary attributes, as well as its aroma that helps to boost energy and reduce occasional fatigue.

LEMON

Internal

Lemon is extremely useful and versatile. It has a refreshing and revitalizing power when used in water and adds delicious flavor to food.

TEA TREE

Aromatic / External

Tea Tree leaves possess qualities that will benefit you in your day-to-day life. It is one of the most interesting essential oils in the world. It is also known as Melaleuca.

FRANKINCENSE

Aromatic / External

Frankincense resin has untold value since ancient times. When the time comes to relax your body and mind, frankincense is popular due to its powerful benefits and unmistakable aroma.

TURMERIC

Internal

Turmeric has a rich history dating back to 4,000 years ago in India. At that time it was starting to be used as a culinary spice and had spiritual significance.

GINGER

Internal

Ginger is a perennial with leaves of up to 12 inches long. Its root is admired for its culinary attributes and its ability to alleviate various ailments.

SWEET ORANGE

Internal

Orange transforms your day with an energizing aroma that lifts your mood, elevating your body and mind. The VINTARI Sweet Orange Essential Oil is low in photosensitizing agents.

JAPANESE PEPPERMINT

Internal

Japanese Mint is known for its high menthol content and unmistakable fresh and energizing flavor and aroma.

BERGAMOT

Internal

Bergamot comes from the South of Italy, specifically from the beautiful coast of Reggio Calabria. This bitter citrus fruit produces a sweet oil with relaxing and antioxidant properties that help improve mood.

CEDARWOOD

Aromatic / External

The Cedar tree gives us one of the first essential oils in history. Its aroma is so powerful that it remains even in the furniture or ornaments made with its wood.

GERANIUM

Internal

The Geranium flower is known for its generous and sweet aroma that helps to balance emotions.

SIBERIAN FIR

Internal

The Fir is an evergreen tree that does not flower. Its natural components help to calm and relax.

COPAIBA

Aromatic / External

Copaiba essential oil is excellent for skin care. This essence is extracted from Copaiba trees, found in the Amazon. This tropical species is very popular for its natural anti-inflammatory, healing resin, which has a relaxing aroma.

ROSE

Aromatic / External

In the beautiful fields of Bulgaria blooms the precious and valuable Damascene rose. Rose essential oil is appreciated for its restorative aroma, as well as for its effective skin care properties.

ESSENTIAL BLENDS

GERM PROTECT®

Aromatic / External
The powerful and exclusive ingredients in this VINTARI mix support you during seasonal changes and environmental threats.

LA LUN FEM®

Aromatic / External

Free of all that's bad

STRENGTHENING SHAMPOO

Our shampoo stimulates hair growth, making it stronger and more resilient, thanks to the vitamins and other ingredients of natural origin it contains. Additionally, Mache Vegetable Keratin combats excess fat and dryness, which improves the aesthetic appearance of the hair.

HIGHLIGHTS:

- Strengthens hair from the root.
- Promotes healthy hair growth.
- Intensely hydrates the scalp.
- Provides hair nutrition.
- Promotes smooth hair.
- Gently removes impurities.
- Free of sulfates, parabens, and silicones.

PROTECTIVE OIL

Our oil promotes the restoration of the hair fiber, reduces dryness, and improves the shine and manageability of your hair. Antioxidants protect against free radicals while vitamins repair split ends.

HIGHLIGHTS:

- Provides thermo-protection to your hair.
- Prevents unwanted volume.
- Controls frizz.
- Makes hair super shiny.
- Does not cause hair to feel greasy.
- Free of sulfates and parabens.

REPAIRING CONDITIONER

Our conditioner prevents hair loss by providing deep nourishment and hydration. It also minimizes frizz and promotes better hair manageability and detangling.

HIGHLIGHTS:

- Creates silky smooth hair.
- Detangles and gives hair body.
- Prevents split ends.
- Promotes optimal hair hydration.
- Free of sulfates, parabens, and silicones.

WONDER BRUSH

Our gorgeous artisan brush is handmade of light varnished pine wood and stainless steel pin bristles.

HIGHLIGHTS:

- Since the bristles reach the roots of your hair, it allows naturally produced oils to be distributed.
- Massages the scalp to promote blood circulation.
- Helps detangle hair without causing breakage.
- Does not generate static electricity.

ANALOMIA®

Certifications

A TRILLION IMPROVEMENTS IN 50ML

Analomia's Face Cream protects and feeds more than a trillion living microorganisms that make up your microbiome.

A balanced microbiome is the #1 reason for younger looking skin.

Your skin's microbiome is a genetic universe of trillions of microorganisms that protect your skin and prevent premature aging.

YOUR MICROBIOME CONTAINS TRILLIONS OF LIVING MICROORGANISMS, AND OUR FACE CREAM FEEDS AND FORTIFIES EVERY ONE OF THEM.

ANALOMIA's Microbiome Face Cream is formulated to nourish and strengthen that microbiome, giving you access to young skin.

WHAT IS YOUR MICROBIOME?

Your **MICROBIOME** is a genetic universe made up of **trillions of living microorganisms that live inside your body and on your skin.**

The critical influence that your microbiome has on the quality and appearance of your skin is one of the most important scientific discoveries in recent skincare history.

THE SCIENCE OF YOUTH

A15
MICROBIOME

Analomia's A15 for Young Skin is a scientific formula containing carefully curated ingredients that enhance your microbiome to visibly de-age your skin:

HOW TO USE YOUR MICROBIOME FACE CREAM

STEP 1: CLEANSE

You should always maintain your microbiome's balance, which means cleansing it without damaging or disrupting its ecosystem of trillions of living organisms.

To achieve this, you should use a gentle cleanser that does not contain any harsh substances.

Pro-Tip: A dry, squeaky-clean feeling after cleansing your skin could be a sign that you've over-cleansed or that the cleanser you are using is too harsh.

STEP 2: APPLY

Face cream should be applied at least twice a day - every morning and every night - even if you don't apply any make-up.

Pro-Tip: So, apply your Analomia Microbiome Face Cream before your skin dries completely after cleansing, or spritz on a bit of face mist before moisturizing.

1. Wash your hands before applying. Dirty hands could cause dirt and bacteria to end up in your cream and on your skin.
2. Scoop out a small amount of your cream using the applicator. This helps to prevent contamination of the cream.

Pro-Tip: Start by applying small quantities of the cream and increase until you have determined the correct amount for your skin.

3. Blot small dots of the cream onto your forehead, cheeks, chin, and neck to ensure the best distribution.
4. Use gentle and small upward, circular movements to lightly massage the cream into your face and avoid pulling downward on the skin.

Pro-Tip: Focus on the driest areas of your skin.

Pro-Tip: Don't ignore your neck. Its skin is delicate and tends to age the fastest.

STEP 3: WAIT

Face cream takes time to absorb and the dryer your skin is the more time will be required.

Pro-Tip: Use the time it takes for your cream to absorb to brush your teeth, select your outfit, or moisturize your body!

YERBAMOR®

Certifications

YERBAMOR was born of the dream to create the best infusion in the world. Its unique formula, developed by doctors and graduates from Harvard University and Stanford University, is unmatched. 14 Super Ingredients total more than 70 benefits that are supported by two clinical studies and international publications. With a delicious flavor, but no sugar, calories, or caffeine, each crop, plant, and premium extract are now ready for you to enjoy!

ANSWERING YOUR QUESTIONS

FREQUENTLY ASKED QUESTIONS ABOUT PRODUCTS AND VIVRI® CHALLENGE

I do not want to lose weight. Can I consume VIVRI products?

Of course. Shake Me! is ideal for anyone seeking to receive great nutrition in a easy, healthy and delicious way. If you do not wish to lose weight, you should replace a maximum of one meal per day with Shake Me! Alternatively, depending on your goals, you may take Shake Me! as a healthy “snack” between meals or after a workout to replenish muscle mass.

Cleanse Me! supports your digestive health. Drink it as “naturally flavored water” or as a “shot” in the afternoon to strengthen your digestive system. Power Me! will give you what you need to complete your daily activities naturally and with energy.

I like to exercise. What products can I use?

All of them! You can consume Shake Me! anywhere you want because it is a nutritious food that is delicious and easy to prepare. If you take it after exercising, it will serve as a recovery drink and food for your muscles; it also promotes higher performance. You can consume Power Me! before exercising to have the energy to complete your workout, during your workout to hydrate, or afterwards to recover you energy.

Cleanse Me! is also great to drink during your workout or simply as “naturally flavored water” during the day.

How many times a day may I take POWER ME! and CLEANSE ME!?

We recommend that you take Power Me! once a day, depending on your sensitivity to caffeine and your lifestyle. You can also take Cleanse Me! once a day, based on your digestive health needs.

Which certifications support VIVRI products?

VIVRI products are manufactured in the United States in facilities that are registered with the FDA, they adhere to Good Manufacturing Practices (GMP) and have the cGMP certification by the NSF. In addition, each product has individual certifications, such as Diabetic Friendly, Low Glycemic Index, Vegan, Kosher, Gluten Free, etc.

If VIVRI products meet all FDA standards, where can I see evidence of this approval?

The FDA does not approve food or individual supplements, but sets rules and guidelines that all companies must adhere to. This is why no food or supplement carries the FDA seal on its label. The products that the FDA approves on an individual basis are medicinal drugs. We can assure you that VIVRI strictly follows the guidelines established by the FDA for the categories of their products, which are sold freely throughout the United States. If you want information on the role of the FDA, please visit their website at: <http://www.fda.gov/ForConsumers/ConsumerUpdates/ucm047470.htm>

Why do you recommend not to give away free products, even to those who I think are good prospects for future Customers or LIVs?

When you give products for free you run two risks. The first is that people may not value the product and as a result may not even try it. Second, if they consume it and like it, but have received it free of charge, they may want to continue to receive it for free. Instead of giving away products, we suggest that you prepare a sample so you make sure that your leads will actually taste it; you will also be right there with them to answer any questions, offer additional flavors, etc.

If I am doing the VIVRI Challenge, may I skip a Shake if I am not hungry?

We recommend that you continue taking two Shakes and eating one balanced meal every day, even without hunger. Regardless of your appetite, your body needs to receive nutrients constantly to reach a proper metabolic rate. To eliminate required calories by suppressing a meal can cause fatigue and malnutrition.

Will I experience a “rebound” effect if I stop using the products?

The VIVRI system was created so that once you achieve your goals you may continue on a healthy maintenance plan taking Shake Me! just once a day. Shake Me! helps you nourish your body with only 230 calories. If you leave the VIVRI system, you will not rebound as long as you maintain a balanced diet.

I have a medical condition. Can I do the VIVRI Challenge?

Unfortunately, we cannot answer questions about specific health conditions or medications. Your team of VIVRI Independent Leaders can comment on the importance of good nutrition, product benefits, and the effectiveness of the system, but they can not relate it to specific medical conditions. We recommend that you review each product label in detail with your doctor. If you have any questions, please send us an e-mail to: hello@VIVRI.com and we will try our best to answer them with the help of our Medical-Scientific Board. Our general statement is: VIVRI products do not cure, diagnose, treat, or prevent any disease.

Why is it so important that as a LIV I join my guests during their VIVRI Challenge opening and closing sessions, and support them in between?

Strong support you can play a key role in helping your guests achieve their health goals. By joining them, you clearly demonstrate your commitment to their well-being, and this should increase their motivation to remain consistent. The greater your support, the more positive their results will be, and the stronger the testimonials will be that you generate throughout your Team.

To whom may I direct my additional questions?

Address your additional questions to a VIVRI representative by writing an e-mail to: hello@VIVRI.com We are here to help! Also, review the FAQs in your VIVRI Journal and the other VIVRI brochures.
